This exploded view diagram illustrates the assembly of a mechanical device. The components are labeled as follows:

- 60**: A long, thin rod or shaft with a T-shaped handle at one end.
- 61**: A small, cylindrical component, likely a pin or bush, located near the handle of component 60.
- 62**: A long, cylindrical tube or sleeve with a textured, knurled section near one end.
- 63**: A small, cylindrical component, likely a pin or bush, located near the end of component 62.
- 64**: A coiled spring.
- 65**: A small, circular disc or washer.
- 66**: A larger, circular disc or washer with a central hole.
- 67**: A small, circular disc or washer.
- 68**: A small, cylindrical component, likely a pin or bush, located near the end of component 67.

The diagram shows the relative positions and assembly sequence of these parts. Component 60 is shown above component 62. Component 61 is positioned to be inserted into component 60. Component 63 is positioned to be inserted into component 62. Component 64 is positioned between component 65 and component 66. Component 67 is positioned between component 66 and component 68.
